

## CONSENT FORM

**Title of Project:** In property safety check – Phase 1 HyDeploy Project

Name and contact details of Principal Investigator:

Dr Ian Madley  
Head of Partnership Development (Natural Sciences)  
Keele University  
Directorate of Research, Innovation and Engagement  
Innovation Centre 2, Keele University Science & Innovation Park, Keele University, Staffordshire  
ST5 5NH, UK. Telephone: 01782 734465 Mobile 0734 208 9219

*This form is for consent to have gas appliance safety checks in your property only. If consent is withheld there is a risk that the live demonstration may go ahead without your gas appliances being safety checked for suitability. Health & Safety Executive approval will be applied for based on the data gathered from the gas safety checks. Once this approval is in place it would be perfectly legal to supply hydrogen blended gas to the network and your home.*

I confirm that I have read and understood the information sheet dated 1 December 2017 for the above project and have had the opportunity to ask questions, and I am satisfied with the answers. I understand that my participation is voluntary and that I am free to withdraw my consent, and the effect of my withdrawal, to 1-3 below, by contacting the customer care line on 01782 733777, at any time.

	Tick Box to Agree
1. I agree to qualified gas engineers entering my property to inspect the gas appliances and installation, data being recorded about the gas appliances in my property and appliance safety checks being carried out in my property using the test gases.	<input type="checkbox"/>
2. I agree to allow the data collected, as described above, to be used for the HyDeploy Project.	<input type="checkbox"/>
3. I agree to be contacted about possible participation in future phases of this project.	<input type="checkbox"/>

I confirm that I am the bill payer / householder\* and that other members of this household have agreed to this consent.
